NARDÒ EXPERIENCE is an integrated, shared, organic program of initiatives, events and services for experiential and/or sustainable tourism, with the aim of promoting and enjoying the area.

The program covers the entire territory of Nardò (Historic Center, Villas and Masserie, Marinas and Porto Selvaggio Park), through cooperation with operators and associations in the area.

The Councilor of Tourism
Giuseppe Alemanno

The Mayor
Pippi Mellone

The City Administration shall be relieved of all liability with regard to:

- damage to property and/or persons caused in the context of the activities carried out;
- absence of professional requirements and/or non-compliance with regulations regarding the implementation of the activities carried out;
- variation and/or cancellation of scheduled initiatives.

With reference to "accessible tourism" services, it is advisable to contact the promoters of each initiative to ask for detailed information regarding the accessibility of each activity, as the usability of the service offered depends on the type of disability.
